To the Shareholders of Tell Spółka Akcyjna

1. We have reviewed the attached consolidated interim financial statements of the Group where the parent company is Tell Spółka Akcyjna (Parent Company) with registered office in Poznań, ul Forteczna 19A, comprising an abbreviated consolidated balance sheet made as at 30 June 2012, an abbreviated consolidated income statement, an abbreviated consolidated statement of comprehensive income, an abbreviated statement of changes in the consolidated equity, an abbreviated consolidated cash flow statement for the period from 01/01/2012 to 30/06/2012 and selected explanatory notes.
2. The preparation of the abbreviated consolidated interim financial statements compliant with the International Accounting Standard 34 *Interim Financial Reporting* as published in the form of a regulation of the European Commission and other applicable legal regulations is the responsibility of the Management Board of the Parent Company. Our task was to review the abbreviated consolidated interim statements.
3. The audit of the financial statements was conducted in accordance with:
 - the provisions of the Accounting Act of 29 September 1994 (consolidated text in *Journal of Laws* of 2009 No. 152, item 1223 as amended),
 - Polish financial auditing standards issued by the National Board of Chartered Auditors in Poland.

The above-indicated standards impose on us an obligation to plan and conduct the review in a way so as to obtain reasonable certainty that the consolidated financial statements are free from material misstatements.

The review consisted in the verification of the correctness of the accounting policies applied by the Parent Company, analysis of the data in the abbreviated consolidated interim financial statements, inspection of the books of account and the use of

information obtained from the Management Board of the Parent Company and persons in charge of the finances and accounting of the Group.

The scope and method of the review of the financial statements is significantly different from the scope and method of an audit conducted in order to express an opinion on the compliance of the annual financial statements with the applicable accounting policies and on its reliability and fairness, therefore we are not in a position to issue such an opinion about the attached consolidated interim financial statements.

4. The review we conducted did not reveal anything which might prevent us from stating that the abbreviated consolidated interim financial statements have been prepared, in all material respects, in accordance with the International Accounting Standard 34 *Interim Financial Reporting* as endorsed by the European Commission.
